

PERFORMANCE MOTORIZED SCREEN (PM)

Derived from the Reference electric screens, the PM range have been primarily designed for the corporate market. With an elegant and discreet appearance, they provide all the benefits of acoustically transparent (A.T.) front projection screens in a rolling up electric format.

Ideal for pubs, schools, conference rooms, etc., they are competitive in price and can provide a cost effective solution for Home Cinema.

PM screens offer advance and competitive features:

- Exclusive Enlightor 2 fabric – giving optimum image and sound permeability
- No moiré effect - Ideal for use with DLP, LCD and other fixed-pixel projectors
- Flat projection surface
- Stylish and discrete casing
