

## PERFORMANCE FIXED FRAME SCREEN (PF)

Derived from the Reference Fixed frame Screens, the PF have been primarily designed for providing all the benefits of acoustically transparent (A.T.) front projection screens in a budget-conscious format

Ideal for Home Cinema, they provide the unique coherent merging of sound and image that can be experienced only with the best acoustically transparent screens

PFF screens offer advanced and competitive features:

- Exclusive Enlightor 2 fabric – giving optimum image and sound permeability
- No moiré effect - Ideal for use with DLP, LCD and other fixed-pixel projectors
- Flat projection surface
- Stylish velour coated frame
